Why Liebovich?

- ★ Quick turnaround and on-time performance
- ★ No order or parts minimums: from 1 to 1000+ pieces
- ★ Save on labor, machining, forming and time
- ★ One-stop shopping from material to finished part
- ★ Reduce your scrap and increase your profits

19" LCD touch-screen to accurately monitor multi-step, multi-tool processing for your job

Quick 2-second spindle tool change for less downtime than manual processing

Fast, accurate calibration for tool changes

Expansive 16' x 40' cutting table allows small parts to be processed side-by-side, or large orders to be cut within full plate size
