AUTOMATIC, HIGH-SPEED CARBIDE CIRCULAR SAWS

FOR FLATS, ROUNDS, SQUARES, ANGLES, CHANNELS, BEAMS,
RECTANGULAR/SQUARE TUBE, & ROUND TUBE/PIPE

We understand that sawing applications vary greatly from one customer to the next...
We have the experience and equipment to guarantee precision for your next job.

Whether cutting angles, flats, rectangles, channels, beams or tubing, Liebovich knows a number of variables play a role in achieving finished accurate parts. We continually invest in the latest technology and equipment, boasting some of the shortest lead times in the metal industry.

Our team of experienced shop personnel processes each order ON TIME. Liebovich is one of the most comprehensive metals service centers in the Midwest, providing an expansive inventory and a full range of metals processing, all delivered in an expedient, efficient manner. Our goal is to exceed our customers' expectations.

Contact your Liebovich sales rep today to learn how we can help you with your next project to maximize results and increase your ROI.
